

On top
of that
there's...

And it's not like
Mina will be able
to spend Valentine's
day with Tooru
since she's supposed
to be working
on her entrance
exams...

I was wondering
how your boyfriend
feels about you
happily going to
see a movie with
another guy

But wait,
in order to
do that,

I'll have
to explain that
Karasuma-kun
lied about us
dating

Eiseek...
I have to
clear up this
misunder-
standing!

You know,
that guy
from the
other
college
...I think
his name
was
Karasuma?

To-
To whom
are you
referring
...?

"Boy-
friend"??

That'll just
make things
more
com-licated...

Www
HFFv!

And then
what if
Tooru tells
Tsukaguchi-
sempai...??

I really don't think it's okay to leave Karasuma-kun's lie circulating around like this, so I guess I should try confronting him about it

In reality, Karasuma-kun and I have only been in contact with each other for circle purposes since the trip made everything awkward...

They didn't even ask me to make sure Karasuma-kun and I are really dating...

And are they all for your friends or...?

Yeah, I bought a ton

Were you able to buy a lot of chocolates?

Welcome back

I'm home~

Yeah yeah

I want to see my little girl give some chocolates to a boyfriend for once~!

Kay

Thanks
for the
tea

Well, I'm
gonna head
out since I
need to get
to work

It's fine, isn't it?
You're gonna get
some from your
girlfriend anyway

Yeah...
Hey wait,
are you
already
eating those
chocolates?

Don't you think
it seems like
your sister has
mellowed out?

Hmmm?

We haven't
texted or called
each other
at all lately
because I
don't want to
bother her

You would think...
but she's been so
busy with preparing
for her test, that
I'm not so sure

You know, I have a feeling he might be more forgiving than you think

If it's too hard for you to tell him yourself, I wouldn't mind passing it along to him

That his girlfriend is really his older sister

Please, for Tooru's sake...

I'm sorry, but

No... You can't...

S-stop! Stop!

Promise me you won't say anything

Please promise me you won't tell him

.....

It's...
not like
you're a
bad guy,
right...?

But

.....

But you know,
I definitely
don't think I'm
one of the good
guys

I don't think
of myself as
that much of
a bad guy,
either

Sure

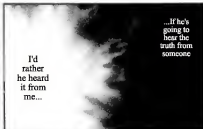

.....

What
does he
want in
return
for keeping
quiet...?

Wait

It's disgusting

I don't care
what they
think of me
since I brought
this upon
myself

But

Even if we're
not related by
blood, people
around us will
find us
repulsive...

If they
think I'm
disgusting
then that's
fine, but

So
gross

If not only Tooru
finds out, but
everyone around
him...

It they
think
Tooru's
disgusting,
too...?

Ew...

Tooru?

I need to
remember
that I'm not
the only one
stepping on
a minefield

And he
seems
like he's
really
enjoying
college
life

He's finally
made some
friends

Tooru's
right
here
with
me

...and I
don't
know
what I
should
do...
